

ACCEPTABLE AEROSOLS FOR PROCESSING

CANS YOU CAN RECYCLE WITH DESPRAY

DeSpray aerosol recycling systems can process the widest range of aerosol can products, from small medical inhalers to 1-litre cans, with no pre-draining or pre-puncturing necessary. Although DeSpray can recycle most types of spray cans, there are some exceptions.

The following is a partial list of aerosol spray can products you can recycle with DeSpray. To inquire about a specific product that is not on the list, please contact us.
